FEATURED TOPIC:

## Is There an Alternative to the Big 4 in the Global Accounting Marketplace?

We live and work in a global economy—there's no denying that. Everyday there are opportunities for companies to grow globally, so don't miss out on these opportunities for your company. Additionally, some think that you need a "Big 4" accounting firm if you have international operations. Come hear how a regional accounting firm has global accounting firm resources as a member of a global accounting association.

FEATURED SPEAKER:

**Maria Nazario | CEO | Integra International**

Maria was born in Cuba and is a US naturalized citizen having lived in the Pasadena, CA area since 1970. She is fluent in Spanish and English. She attended California State University, Los Angeles and earned a Bachelor's degree in Business Administration with a minor in Finance.

She is a Certified Association Executive (CAE), awarded by the American Society of Association Executives in 2003. Ms. Nazario is a member of the American Society of Association Executives and the California Society of Association Executives.

Prior to accepting the appointment with Integra, Ms. Nazario worked for 20 years with the California Society of Certified Public Accountants, a 40,000 member professional accounting association and the largest in the country.
